All India Council for Technical Education

ABOUT GEC AMBIKAPUR & FDP OBJECTIVE

ABOUT THE COLLEGE

Government Engineering College, Ambikapur is a government technical institute established in 2010 and located on a 42-acre campus at Nehru Nagar, Digma, Ambikapur. Since 31 January 2020, it has functioned as a constituent college of Chhattisgarh Swami Vivekanand Technical University (CSVTU), Bhilai, a State Government Technical University.

The institute offers AICTE-approved B.Tech. and M.Tech. programmes in Civil, Mechanical, Computer Science & Engineering, Electrical and Mining Engineering, along with Ph.D. programmes in Civil Engineering, Mechanical Engineering, Computer Science & Engineering, Physics, Chemistry and Mathematics. From academic session 2026–27, an MBA programme has also been introduced.

From academic session 2026–27, GEC Ambikapur has started B.Tech. and M.Tech. programmes for working professionals in Civil, Electrical and Mining Engineering, approved by AICTE, the Directorate of Technical Education (DTE), and the University. These programmes help working professionals enhance their qualifications and competencies while continuing their careers.

With established infrastructure, modern laboratories and highly qualified faculty, including alumni of premier institutions such as IITs and NITs, the institute promotes technical education, research, innovation and industry interaction. It serves around 1,000 students, with 25 regular Assistant Professors, 2 Associate Professors, 1 Principal and 30 non-teaching staff.

The institute plays an important role in providing quality technical education to tribal and rural students from Surguja and across Chhattisgarh. Through academic programmes, research, working-professional programmes and industry-academia collaboration, it works to create better opportunities for its students.

FDP OBJECTIVE

Chhattisgarh Swami Vivekanand Technical University (CSVTU), Bhilai, has introduced Universal Human Values (UHV) as a mandatory subject across its degree programmes. To strengthen its effective teaching and implementation, Government Engineering College, Ambikapur, is organising an Eight-Day UHV-II Faculty Development Programme from 16 to 23 November 2026. One of the core goals of this FDP is to facilitate the development of a conducive environment for Holistic, Values-Based Education (HVBE) at the institution. This environment will eventually help prepare the next generation of competent students and citizens.

RESOURCE TEAM

Resource Person
Dr. Himanshu Kumar Rai
Professor, AICTE UHV Panel, New Delhi

Co-facilitator 1
Ravishankar Rajak, Social Worker, Savera Foundation
Address: Gram Panchayat Pathriya Jat, Sagar, Madhya Pradesh

Co-facilitator 2
Mrs Maya Rathore
Nisarpur, District Dhar, Madhya Pradesh

Observer
Dr. Sharad Ganjegaonkar
Assistant Professor
Parul University, Baroda, Gujarat
