

Technical Report  
On  
**National Youth Day - 2026**

Date of Event: 12<sup>th</sup> December 2026

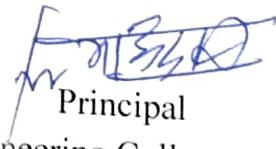

Venue: Government Engineering College, Ambikapur (A Constituent College of CCSVTU, Bhilai)

- Government Engineering College, Ambikapur organized the National Youth Day (Yuva Diwas) Celebration 2026 on 12<sup>th</sup> January 2026 in accordance with the guidelines issued by the All-India Council for Technical Education (AICTE). The event was held to commemorate the birth anniversary of Swami Vivekananda and to inspire young people towards character building, self-reliance, and nation-building.
- The program formally commenced with Saraswati Puja, invoking wisdom, knowledge, and academic excellence.
- The inaugural session continued with the Welcome Address delivered by Prof. (Dr.) Ram Narayan Khare, Principal, Government Engineering College Ambikapur, who highlighted the relevance of National Youth Day and the significance of Swami Vivekananda's philosophy in the contemporary technological era.
- In his keynote address, Prof. (Dr.) Ram Narayan Khare emphasised Swami Vivekananda's vision of youth as disciplined, courageous, and nation-oriented individuals. He further elaborated on AICTE's National Youth Day 2026 theme, stressing that technology becomes meaningful only when rooted in Indian culture and values. Special focus was given to the concept of Swadeshi, which was explained as self-belief, indigenous innovation, and commitment towards Atmanirbhar Bharat. Students were motivated to become ethical engineers, solution-oriented technologists, and responsible citizens contributing to Viksit Bharat. The Principal encouraged students to actively participate in national initiatives promoted by AICTE, for holistic youth development and national integration.
- Following the Principal's address, Mr. Maheedar Dubey, In-charge NSS, Government Engineering College Ambikapur, addressed the gathering and emphasized the role of youth in social responsibility and national development.
- Subsequently, Mr. Shashikant Shukla, Pradesh Sah Sanyojak, ABVP, delivered his address focusing on youth participation, discipline, and collective efforts in nation-building.

12.01.2026

- The academic session was followed by cultural programs presented by students, including patriotic songs, folk dance performances, poetry recitation, and group performances reflecting national pride, cultural heritage, and creative expression.
- Various student competitions, such as Rangoli Competition, Poster Making Competition, Speech Competition, Singing, and Dance, were organized to encourage creativity, awareness, and active participation among students.
- Certificates were distributed to the participants of cultural and competitive events to recognise their efforts and encourage continued engagement in co-curricular activities.
- As part of value-based education and social responsibility, a Swadeshi Pledge was administered, reaffirming commitment towards indigenous products, technology, and innovation.
- A Nasha Mukti Pledge was also administered to promote an addiction-free, healthy, and disciplined lifestyle among students.
- In compliance with AICTE directives, the flagship activity “Run for Swadeshi” was organized, symbolizing youth commitment towards Atmanirbhar Bharat, physical fitness, unity, and the vision of India as a producer nation.
- The program proceeded towards its conclusion with the collective rendering of the National Song followed by the National Anthem, instilling a sense of patriotism and national unity among all participants.
- The event concluded with a Vote of Thanks delivered by Dr. Ketan Chaurasiya, Head of the Department, Mining Engineering, who acknowledged the guidance of the Principal, the presence of dignitaries, the efforts of faculty members, organizing committee, and the enthusiastic participation of students.
- The National Youth Day (Yuva Diwas) Celebration 2026 successfully achieved its objectives by enhancing awareness of Swami Vivekananda's ideals, aligning student activities with AICTE's vision, promoting Swadeshi thinking, ethical engineering, cultural pride, and fostering leadership and national consciousness among students.
